

are spread reasonably throughout the calendar year.

(h) If a given covered employee is subject to random drug testing under the drug testing rules of more than one DOT agency for the same railroad, the employee shall be subject to random drug testing at the percentage rate established for the calendar year by the DOT agency regulating more than 50 percent of the employee's function.

(i) If a railroad is required to conduct random drug testing under the drug testing rules of more than one DOT agency, the railroad may—

(1) Establish separate pools for random selection, with each pool containing the covered employees who are subject to testing at the same required rate; or

(2) Randomly select such employees for testing at the highest percentage rate established for the calendar year by any DOT agency to which the railroad is subject.

#### **§ 219.605 Positive drug test results; procedures.**

(a) *Medical review.* The result of a test required under this subpart shall be deemed positive only after it has been properly confirmed as required in subpart H of this part and reviewed by a Medical Review Officer (MRO) as provided in subpart H to determine if it is evidence of prohibited drug use under § 219.102.

(b) Procedures for administrative handling by the railroad in the event a sample provided under this subpart is

reported as positive by the MRO are set forth in § 219.104 of this part. The responsive action required in § 219.104 is not stayed pending the result of a retest or split sample test.

#### **§ 219.607 Railroad random alcohol testing programs.**

(a) Each railroad shall submit for FRA approval a random alcohol testing program meeting the requirements of this subpart. A Class I railroad (including the National Railroad Passenger Corporation) or a railroad providing commuter passenger service shall submit such a program not later than August 15, 1994. A Class II railroad shall submit such a program not later than February 15, 1995. A Class III railroad (including a switching and terminal or other railroad not otherwise classified) shall submit such a program not later than August 15, 1995. A railroad commencing operations after the pertinent date specified in this paragraph shall submit a random alcohol testing program not later than 30 days prior to such commencement. The program shall be submitted to the Associate Administrator for Safety, FRA, for review and approval. If, after approval, a railroad desires to amend the random alcohol testing program implemented under this subpart, the railroad shall file with FRA a notice of such amendment at least 30 days prior to the intended effective date of such action. A program responsive to the requirements of this section or any amendment to the program shall not be implemented prior to approval.

(b) *Form of programs.* Random alcohol testing programs submitted by or on behalf of each railroad under this subpart shall meet the following criteria, and the railroad and its managers, supervisors, officials and other employees and agents shall conform to such criteria in implementing the program:

(1) Selection of covered employees for testing shall be made by a method employing objective, neutral criteria which ensures that every covered employee has a substantially equal statistical chance of being selected within a specified time frame. The method may not permit subjective factors to play a
